

State Charter School Board Action Summary

Action: **Adjustments to how the adopted SCSB Oversight Model is implemented.**

Background: Staff and the Oversight Committee have been reviewing lessons learned from SCSB oversight activities which prompted a review of the SCSB Oversight Model. The Oversight Committee has been reviewing the SCSB Oversight Model and discussing changes since January 2021.

Main Points:

1. The overall approach does not change, but we are realigning the focus to what we want to achieve (good schools) instead on what we want to avoid (closure).
 - Has a new graphic to better communicate this.
2. Adds High Standing.
 - To honor exemplary schools.
3. Provides more information on implementation of the model.
 - Guidelines for each oversight stage.
 - Outlines support at each oversight stage.
 - Clarifies/refines process on how High Standing, Good Standing, and Warning are assigned.
4. Proposed graphic:
