

A DECADE of SUCCESS
Mountain Heights Academy

Mountain Heights Academy
Charter Agreement
Exhibit "A"

No portions of Exhibit "A" may be changed unless amended pursuant to Charter Agreement Section 5.3

1. Name: The name of the Charter School shall be Mountain Heights Academy.
2. Applicant: A Charter Agreement is granted to OpenContent Foundation, which applied on February 8, 2008.
3. Location: The charter school shall be established statewide throughout Utah, which is material to its authorization.
4. Mission statement: The Charter School mission statement, as set forth in the application is: "Our mission is to use innovative technology, service learning, student-centered instruction and personal responsibility to empower students to succeed."
5. The mission adopted for operational purposes is: "to develop connected and successful learners"
6. Purpose(s) of the charter school: The Charter School purposes consistent with U.C.A. §53G-5-104 include:

- ~~a.—Continue to improve student learning through following Mountain Heights Academy's (MHA) philosophy, using virtual hands-on learning.~~
- ~~b.—Encourage the use of different and innovative teaching methods through using cutting edge multimedia technologies and diverse educational approaches and methods including but not limited to service-oriented learning and inter-disciplinary project-based learning.~~
- ~~e-a.~~ Create new professional opportunities for educators that allow for the creation and use of open educational resources (OER) so that teachers have greater control over the content used in the classrooms. Moreover, teachers may be able to work from home and may be provided with a laptop.
- ~~d.—Increase choice of learning opportunities for students by operating a school for all students in the State of Utah that provides an "anywhere, anytime" learning opportunity. MHA's digital learning opportunity provides a flexible environment to~~

~~encourage students to become more active in learning and in the community through service learning.~~

~~e-b.~~ Establish new models of public schools and a new form of accountability for schools that emphasizes the measurement of learning outcomes and the creation of innovative measurement tools through the use of an online Learning Management System (LMS), allowing for the integration of curriculum benchmarks, helping track student progress on a continuous basis. Service learning opportunities and end-of-term demonstrations create a new form of public accountability. Openly-licensed curriculum materials create an unprecedented level of transparency into the classroom experience.

~~f.~~ Provide opportunities for greater parental involvement in management decisions at the school level through the established Parent Organization roles, such as serving on committees.

7. Key elements of the charter school: The key elements of the Charter School, as set forth in the application, are programs and processes that make this school unique. They are included in the State Charter School Board annual review as assurances and included in the School Accountability Framework Comprehensive reviews.

~~—Maintains a large enough student population to offer all programmatic elements listed in the approved charter application.~~

~~9. Maintains a large enough student population to offer all programmatic elements listed in the approved charter application.~~

~~10. Offers distance and online education, as defined by the Utah State Board of Education.~~

11. Provides in-person experiences for students to supplement and support the digital experience.

~~12. Uses personalized and interactive instruction with particular attention to helping all students achieve proficiency in core curriculum subjects.~~

13. Aims to construct an active and flexible learning environment that motivates students and builds meaningful learning relationships.

a. Provides individualized instruction and one-on-one tutoring.

~~a-b.~~ Encourages service learning each semester which is supported by interdisciplinary projects.

~~e-c. Curriculum emphasizes mastery of core subjects and college preparation.~~

~~p-d.~~ Works with various state colleges and universities to allow for online college-level study during high school.

~~q-e.~~ Course lessons may be provided both synchronously and asynchronously.

~~r-f.~~ Teachers are trained in the curricular emphasis and effectiveness goals of MHA as well as participating in planning how to accomplish MHA's performance goals as outlined in Exhibit A.

~~s-g.~~ Uses the Utah Core Standards as the foundation for lesson planning.

Formatted: Outline numbered + Level: 2 + Numbering Style: a, b, c, ... + Start at: 1 + Alignment: Left + Aligned at: 0.75" + Indent at: 1"

4.h. Uses formative, state-mandated, and other assessment results, which are discussed in horizontal and vertical PLCs, to inform instruction and ensure core-standards are taught.

4.i. School and teachers initiate regular communication with parents at least weekly.

4.8. Opening School Year: 2009-2010

4.9. Grade levels and maximum enrollment:

School Year	Enrollment by grade band				Total Enrollment
	K	1-6	7-8	9-12	
2009-2010	0	0	0	125	125
2010-2011	0	0	0	250	250
2011-2012 (amended)	0	0	0	600	600
2012-2013	0	0	0	1000	1000
2013-2014 (amended)	0	0	500	1000	1500

10. Enrollment preferences permitted by board policy and 53G-6-502: (Remove any that were not approved in the application or supported by current board policy).

- a. Children, then grandchildren of founding parents,
- b. Children, then grandchildren of the governing board,
- c. Siblings of students currently, then previously enrolled,
- d. Children of school employees.

11. Structure of governing board: (from currently approved bylaws)

- a. Number of board members: 5-9
- b. Appointment of board members: Election, by the governing board
- c. Board members' terms of office: Three, three-year terms
- d. Meetings: Regularly, no fewer than six times per year

12. Administrative rules waived (if applicable): NONE

13. Additional school specific standards used to assess School Achievement in the Charter School Accountability Framework:

Measure	Metric	Exceeds	Meets	Does Not Meet	Falls Far Below
Mission Specific	Institutional contribution to OER repository	125 lessons per year, or more than two artifacts per returning teacher.	100 lessons per year, two artifacts per returning teacher.	Less than 100 lessons per year, or less than two artifacts per returning teacher.	Less than 100 lessons per year, and less than two artifacts per returning teacher.
	Institutional contribution to OER repository in the following content areas i) Leadership OER, ii) Teacher Competency OER, iii) Instructional Design OER, and iv) Ed Tech OER	Fully-developed OER contributions in each of the 4 designated content areas.	Fully-developed OER contributions in 3 of the 4 designated content areas.	Fully-developed OER contributions in 2 of the 4 designated content areas.	Fully-developed OER contributions in 1 of the 4 designated content areas.
Mission Specific	Student course completion rate of a minimum of 80%	100%	80%	<79%	<59%
Relative Academic Performance	Proficiency on end-of-year state mandated tests compared to other statewide online LEAs	School wide proficiency is higher in all tested subjects.	School wide proficiency is higher in most tested subjects.	School wide proficiency is lower in some tested subjects.	School wide proficiency is lower in each tested subject.
Student Academic Gain	Percentage of students achieving at least 75% in math and a 70% in reading on a national norm-referenced test,	80% / 75%	75% / 70%	65% / 60%	55% / 50%

	such as STAR, NWEA, MAP, etc.
