What makes  
NUAMES a  
data outlier?

Managing Expectations

Building Relationships

Data-driven Evaluation

100% Buy-In

Limited Administration

# Why Do Students Love NUAMES?

Opportunity for college credit

- Can graduate from WSU prior to NUAMES graduation

Small classes

- 23:1 student-teacher ratio

Company connections

- Computer science companies outline exactly what they're looking for

Capstone projects

- Mentor helps them to select and execute project of choice

Incredible facility

- State-of-the-art college classrooms and resources

# Future of NUAMES

## Expansion to Ogden campus

- Preventing saturation and replicating Layton culture

## Increase in school diversity

- Staying ahead of the curve with interventions/support
