

State Charter School Board Action Summary

Action: **FY2022 Budget**

Background of the Issue: The final motion from the 2021 Public Education Appropriations subcommittee directs the Utah State Board of Education (USBE) to treat the State Charter School Board in a similar fashion to the Utah Schools for the Deaf and Blind on budgetary matters by providing general oversight in approving an annual budget, but allowing the State Charter School Board (SCSB) to manage day-to-day financial operations and budgeting.

Staff has prepared the FY22 budget and reviewed it with the Budget Committee which has recommended it for approval by the full board.
